The workshop was called to order at 10:05 by Lakes Highway District Board Chairman, Rod Twete. The topic of the workshop was utility coordination and responsibility during road construction, utilities that are installed per easements or permits, un-opened rights-of-way and possible avenues of new development notifications. Introductions were made, and discussion followed with input from utility companies, Highway Districts, developers and legal counsel. Upon completion of discussion at 12:00 p.m., Road Supervisor John Pankratz moved to adjourn with Commissioner Fountain seconding the motion.

Respectfully Submitted:

Bonny A. Flagg  
District Clerk/Board Secretary

Approved:

Rodney A. Twete  
Chairman
