

2023 Associated Highway District Standards

Amendment No. 1

Supplemental to Include Privately Maintained Gravel Road Standard

The following Supplemental to the 2023 Highway Standards for the Associated Highway Districts of Kootenai County (AHD) is provided herein to specifically include construction guidance for Privately Maintained Gravel Roads.

Supplemental Standard Detail (SD-1B): The following Typical Road Section is intended to show the minimum dimensions for gravel road construction. Placement of materials shall be in accordance with the AHD Standards. Geometric design by a Professional Engineer shall comply with AASHTO, A Policy on Geometric Design of Highways and Streets and approved by the Director of Highways.

Approved on February 22, 2024 - AHD Meeting.

Approved on March 4, 2024 - Lakes Highway District Board Meeting.
